## HOW SCHOLARSHIP RECIPIENTS ARE SELECTED

Scholarships are not based solely on academic performance, but demonstration of special talents, leadership, and/or community service. Demonstration of special talent could include placement in a state or national student organization, i.e. debate, music, FBLA, VICA, etc. Demonstration of leadership could be holding an office in a student organization, developing a project, or actual job experience. Demonstration of community service could be volunteer work in a community project through school, club, church, or employer, demonstrating the desire to continue/begin education at the same time as being employed (full or part time). Secondary criteria for selection will be financial need, overall grade point average, and career goals.

The Chamber Leadership Scholarship Committee will review all applications and determine awards. Application deadline is April 4, 2025. All decisions made by the scholarship committee are final. Applications are numbered upon receipt so that they may be reviewed anonymously. Applications are also ranked in aforementioned areas and discussion and selection are based on the top-ranking applicants. The committee retains the right to hold interviews for final selection.
